HEALTH & SAFETY:

Health services include an on-call doctor and a 24-hour in-house registered nurse. Drugs, alcoholic beverages, and cigarettes are strictly forbidden and constitute, along with general misconduct, grounds for immediate dismissal from camp without refund.

Nearest Hospital: [Newton-Wellesley Hospital](#), (617) 243-6000
2014 Washington Street, Newton, MA 02462

Full-time nurse: NECYSC employs a full-time, on-site nurse for the duration of the camp. She is available 24 hours a day during camp week to assist campers and staff in medical and emotional problems that campers may have.

Camp doctor: NECYSC has a doctor on call for more serious problems. In the event of a serious illness or injury, the doctor on call will be contacted to provide care for the camper or suggest appropriate actions to be taken (hospitalization, etc.). At the first reasonable opportunity, the camp director or staff member will contact parents.

Prescription medication: *All prescription medication must be stored and dispensed by the nurse on duty or the camp doctor.* Campers may NOT store and dispense their own medication. All bottled medication (in their original, labeled containers which include name and dosage) must be given to the nurse during registration. Medication permission forms must be filled out for any medication that needs to be administered (both prescription and over-the-counter).

Health conditions: All health conditions (allergies, asthma, emotional problems, etc.) that may affect camper participation in activities should be indicated in the camp health form. Any update that is not indicated on the health form should be given to the camp nurse during registration. All personal health information is confidential.

VISITING POLICY: Due to safety and liability issues, **VISITORS ARE NOT PERMITTED during the week of camp with the exception of parents and immediate family.** All permitted visitors must sign in, wear a visitor name tag at all times, and sign out at the front desk in Angela Hall.

PICK-UP POLICY: For your child's protection, only parents are allowed to check out a camper during the program. If you need someone else to pick up your child, a signed form must be submitted and verified by staff indicating who is allowed to pick up your child. Forms are available at the front desk in [Angela Hall](#) and on our website (www.necyisc.org/download.html).

GROUPING: We try to organize campers into groups based on the fall school grades. Because of this formula, we do mix grades. **You may submit requests, but NO changes are guaranteed. No group changes are permitted after one week prior to the camp week.**
