

## Supplemental Information for ExplorAsian and CIT Application

### For ExplorAsian Application:

One of ExplorAsian's main goals is to develop leadership skills. Please respond in an essay to one of the questions below:

- 1) What does being a leader mean to you?
- 2) Describe a leader in your community whom you look up to.
- 3) Tell us why you are a good candidate for ExplorAsian.

Feel free to also comment on the class topics and activities you would like to see. Be creative. Your responses could very well shape the curriculum.
