Qualifications

We try our best to make our programs affordable for everyone. Financial Aid is available and is based solely on need. Families who qualify are encouraged to apply as soon as possible. We also encourage you to apply even if you do not meet the guidelines but feel that there are other considerations that you would like to discuss. Our goal is to offer an opportunity to families who may otherwise not be able to afford the program to share in our camp experience.

The Financial Aid application is strictly confidential. Financial Aid is a separate process from program acceptance and is awarded after program acceptance. Please complete both the Camper/CIT program application form (indicating that you are applying for Financial Aid) and the Financial Aid application form. Please note that it is required that you send in a 50% deposit with your application.

Our guidelines are based on the Federal Poverty Guidelines
