There is a \$25 fee for changing programs (space permitting) after May 1, 2020.

Financial Aid: We try our best to make our program affordable for everyone. Financial Aid is available based solely on need. Please check the guidelines at www.necyisc.org/financial_aid.
NECYSC will process financial aid applications upon receipt of all documentation. Delayed applications and forms may put camper on waiting list.

Parent on Duty (POD)

Please note the following changes have been made to POD for 2020:

NECYSC is a unique camp in that we are primarily run by volunteers. We require parents of campers to volunteer during camp week to assist with many essential and important tasks that will help maintain and run the operation of the camp smoothly and safely. Your participation is not only a crucial contribution to the success of NECYSC but also it gives you a glimpse of your child(ren)'s camp life.

The NECYSC requires one POD shift for EACH camper in Overnight and ExplorAsian programs but two POD shifts per family at the maximum. If your family has more than 2 campers, you only need to complete 2 POD shifts. Sign up will be available on [April 30, 2020](#). POD is optional for the Day Program, although we strongly encourage parents to help out. Please contact us at pr@necytc.org if you are a parent of the Day or CIT program, and interested in volunteering during camp week. Your help is greatly appreciated.

Other Important Rules

NECYSC will ONLY process camper registration application **when check and all required forms are received. (See full list at the beginning of document).**

Parent and Family Visitation: We **DO NOT** allow visitation during the camp week. Camp events including carnival, talent show, and the dance are closed events. We encourage parents and immediate family members to attend the closing performances.

Camper Leave Policy: We recommend that you schedule other commitments outside the week of camp. We **DO NOT** allow leave for routine medical appointments, athletic commitments, activities and family visits.

Early Camp Check Out: Early camp check out is available for those families who have extenuating circumstances and need to check out earlier. **We will require completion of the OVERNIGHT/EXPLORASIAN CAMPER EARLY CHECK OUT REQUEST FORM.**

Any outstanding documentation, fees, or other required information not resolved by the first day of camp will result in loss of camper acceptance.

Camp Description

- Mission: The New England Chinese Youth Summer Camp (NECYSC) started in 1987 as part of Greater Boston Chinese Cultural Association, a nonprofit 501 (c) (3) organization operated by volunteers. NECYSC's mission is to create and foster community involvement among our youths interested in Chinese arts and culture.
- Day Program: The camp atmosphere provides a great opportunity to make new friends and keep in touch with old ones. We provide cultural enrichment to campers that fulfill a sense of community and individual identity. Teachers from Taiwan and locally will present interactive, hands-on workshops in martial arts, Chinese dancing, arts and crafts, and Chinese painting. Each camper is assigned to a group led by counselors and CITs with whom they spend the entire day. **Late pick-up Fee:** \$1 per minute past the normal pick-up time.
- Overnight Program: In addition to the activities Day campers enjoy, our overnight campers will also engage in evening activities such as hall gatherings, talent show, dance, movie night, and a carnival.
- ExplorAsian Program: This program aims to provide a warm and fun environment for high school students to explore their Asian-American identity and develop their voices and leadership skills through project-based learning. A broad range of class topics are chosen to develop campers' leadership skills, identity discovery, understanding of social justice, and professional readiness. Campers will further explore these topics in team settings to accomplish a project using various technologies. Campers will also have a chance to participate in team sports and games, take classes in cooking, arts and crafts, and other more 'traditional' camp activities. There will also be various workshops where campers can learn more about various aspects of Asian heritage. For more information, please e-mail questions to: assistantdirector@necytc.org
